

GENERAL INFORMATION

VALLEY GREEN BLUE MARKER DYE is a versatile, easy-to-use, non-toxic, colorant for aquatic, industrial, municipal, utility, and rights-of-way applications of liquid pesticides and fertilizers.

VALLEY GREEN BLUE MARKER DYE shows applicators where they have sprayed, and will help avoid costly over sprays and skips.

VALLEY GREEN BLUE MARKER DYE dissipates quickly in wet and dry weather, and mixes completely with water-soluble pesticides and fertilizers without affecting chemical efficacy.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING.

VALLEY GREEN BLUE MARKER DYE application rates will vary depending on turf color, turf height, and spray application rates. For optimal rate application, experiment with the volume of spray solution and rate of **VALLEY GREEN BLUE MARKER DYE** to find a rate that is functional and economical.

SUGGESTED RATES: 16-24 ounces per 100 gallons of spray solution treated.

For smaller spray applications using backpacks and small sprayers, use 2-3 ounces per 3 gallons of spray solution.

STORAGE AND DISPOSAL

Store in original container only. Keep container tightly closed and do not allow water to be introduced into the contents of this container. Do not contaminate water sources by runoff from cleaning of equipment, disposal of equipment washwaters, or spray waste. Do not store near heat or open flame. Do not contaminate food or feed by leak, spill, or disposal of product. Do not store with oxidizing agents or ammonium nitrate.

DISPOSAL: Dispose of empty containers by triple or pressure rinsing or equivalent, adding rinsate to the spray tank, then offer for recycling, or reconditioning, or puncture and dispose of according to State and local authorities. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. If burning, stay out of smoke.

NOTE: According to the U.S. Environmental Protection Agency, Office of Pesticides and Toxic Substances, no clearance is required of this product under 40 CFR 180 for use on non-food crops. This product is not approved for edible or food crop use.

WARRANTY: Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
